

Alector to Participate in the Bank of America CNS Therapeutics Conference

December 1, 2025

SOUTH SAN FRANCISCO, Calif., Dec. 01, 2025 (GLOBE NEWSWIRE) -- Alector, Inc. (Nasdaq: ALEC), a clinical-stage biotechnology company focused on developing therapies to counteract the devastating progression of neurodegeneration, today announced that management will participate in a fireside chat at the Bank of America CNS Therapeutics Conference, being held virtually on Monday, December 8, 2025, at 2:25 pm ET.

A webcast of the fireside chat will be available on the "Events & Presentations" page within the Investors section of the Alector website at <http://investors.alector.com>. A replay will be available on the Alector website for 90 days following the event.

About Alector

Alector is a clinical-stage biotechnology company focused on developing therapies to counteract the devastating progression of neurodegenerative diseases. Leveraging the principles of genetics, immunology, and neuroscience, the company is advancing a portfolio of programs that aim to remove toxic proteins, replace missing proteins, and restore immune and nerve cell function. Supported by biomarkers, Alector's product candidates seek to treat a range of indications, such as Alzheimer's disease, Parkinson's disease, and frontotemporal dementia. The company is also developing Alector Brain Carrier (ABC), a proprietary blood-brain barrier platform, which is being selectively applied to its preclinical and research pipeline. ABC aims to enhance the delivery of therapeutics, achieve deeper brain penetration and efficacy at lower doses, and ultimately improve patient outcomes while reducing costs. Alector is headquartered in South San Francisco, California. For more information, please visit www.alector.com.
