Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On August 9, 2019, Dr. Kristine Yaffe was appointed to the Company's Board of Directors (the "Board") and to the Corporate Governance and Nominating Committee of the Board (the "Nominating Committee"). Dr. Yaffe will serve as a Class II director, with a term expiring at the Company's 2020 annual meeting of the stockholders, and will serve as a member of the Nominating Committee.

Dr. Yaffe is the Scola Endowed Chair and Vice Chair, Professor of Psychiatry, Neurology and Epidemiology and the Director of the Center for Population Brain Health at the University of California, San Francisco (UCSF) and has worked in various capacities at UCSF since 2007. Dr. Yaffe has received numerous awards including the American Academy of Neurology Potamkin Prize for Research in Pick's, Alzheimer's, and Related Diseases, a prestigious honor considered to be the Nobel Prize of Alzheimer's research. Dr. Yaffe holds a B.S. in biology-psychology from Yale University, an M.D. from the University of Pennsylvania School of Medicine, and completed residencies in neurology and psychiatry at the University of California, San Francisco.

In accordance with Company policy, Dr. Yaffe will receive annual cash compensation of \$35,000 for her services as a member of the Board and an additional \$4,000 per year for service as a member of the Nominating Committee, each payable quarterly in arrears on a pro-rata basis, and on August 9, 2019, Dr. Yaffe was automatically granted an option to purchase 40,000 shares of Alector common stock, which vests as to 25% of the shares on the one year anniversary of the grant date and as to 1/48th of the shares on each monthly anniversary of the grant date thereafter, provided that she remains a service provider through the applicable vesting date. Such option will become fully vested and exercisable immediately prior to a change in control transaction, subject to Dr. Yaffe continuing to be a service provider through such change in control.

Dr. Yaffe will be eligible for further equity awards on the same terms as other continuing non-employee members of the Board. Dr. Yaffe also executed the Company's standard form of indemnification agreement, which is attached as Exhibit 10.1 to the Company's Registration Statement on Form S-1 filed with the SEC on January 7, 2019 (File No. 333-229152).

There is no arrangement or understanding between Dr. Yaffe and any other persons pursuant to which Dr. Yaffe was elected as a director. In addition, Dr. Yaffe is not a party to any transaction, or series of transactions, required to be disclosed pursuant to Item 404(a) of Regulation S-K.

On August 12, 2019, the Company issued a press release announcing Dr. Yaffe's appointment as a director. The press release is attached hereto as Exhibit 99.1.

Following Dr. Yaffe's appointment to the Nominating Committee, the Company's Board committees shall consist of:

Alector Announces the Addition of Kristine Yaffe, M.D., to the Board of Directors

South San Francisco, Calif. – August 12, 2019 – Alector, Inc. (Nasdaq: ALEC) today announced the addition of Kristine Yaffe, M.D., to the Company's board of directors. Dr. Yaffe is the Scola Endowed Chair and Vice Chair, professor of psychiatry, neurology and epidemiology and the director of the Center for Population Brain Health at the University of California, San Francisco (UCSF).

"Kristine is an internationally recognized expert in the field of cognitive aging, neurodegeneration, and dementia," said Arnon Rosenthal, Ph.D., chief executive officer of Alector. "Her diverse experience brings significant value to Alector as we advance the development of multiple, genetically validated, immune modulatory drugs for Alzheimer's disease and frontotemporal dementia."

Dr. Yaffe has received numerous awards for her groundbreaking contributions to the field including the American Academy of Neurology Potamkin Prize for Research in Pick's, Alzheimer's, and Related Diseases, a prestigious honor considered to be the Nobel Prize of Alzheimer's research. Dr. Yaffe holds a B.S. in biology-psychology from Yale University, an M.D. from the University of Pennsylvania School of Medicine and has completed residencies in neurology and psychiatry at the University of California, San Francisco.

"What excites me most about the opportunity to join Alector's board is the company's drive to find novel approaches to address some of the largest unmet medical needs that exists today such as Alzheimer's disease, frontotemporal dementia, ALS and Parkinson's disease," said Dr. Yaffe. "I look forward to working with Arnon, the management team and the board as the company continues to build upon the scientific foundation they have developed to help patients suffering from these cruel diseases."

Alector's current board members include: Arnon Rosenthal, co-founder, president & CEO of Alector; Tillman Gerngross, co-founder of Alector and CEO of Adimab; David Wehner, CFO of Facebook; Lou J. Lavigne Jr., former CFO of Genentech; Richard Scheller, former EVP of research at Genentech and former CSO of 23andMe; Terry McGuire, Polaris Venture Partners.

About Alector

Alector is a clinical stage biotechnology company pioneering immuno-neurology, a novel therapeutic approach for the treatment of neurodegenerative diseases. Immuno-neurology targets immune dysfunction as a root cause of multiple pathologies that are drivers of degenerative brain disorders. Alector is developing a broad portfolio of programs designed to functionally repair genetic mutations that cause dysfunction of the brain's immune system and enable the rejuvenated immune cells to counteract emerging brain pathologies. The Company's product candidates are supported by biomarkers and target genetically defined patient

populations in frontotemporal dementia and Alzheimer's disease. Alector is headquartered in South San Francisco, California. For additional information, please visit www.alector.com.
